MERCHANT MEDIA

Win New Business with latest Modern Design

- **New Stylish Design:** attracts consumers and inspires confidence
- The design can be further enhanced with optional LED service door lighting (Keypad model)
- **New User Interface Area:** Styled in a high gloss, durable finish
- **Latest Technology:** Choose between the new 3.5" colour display with keypad or 7" colour touchscreen
- Optional black base graphic is available to **match VOCE and BevMAX**
- **Large Bright Shop Window:** 24/7 fresh product availability
- **50% More Selections** with Merchant's 6-Wide capacity; more choice drives consumption!

Drive Sales and Enhance the Shopping Experience

- **Virtual Shopping Cart:** Users can fill up a virtual shopping cart and pay in one simple transaction
- **Buy More:** Merchant Media always gives the option to 'Buy More' with one simple click, driving increased spend
- **SureVend™** guarantees the customer receives their selected product or their money back
- Multiple Payment Systems for coins, notes, cards and keys available

Reduce Costs with a Sustainable Solution

- **Class-Leading Energy Efficiency:** Merchant Media has an EVA EMP A++ Rating and is 30% more efficient than competing machines
- **Reduced Energy Costs:** LED lighting and power saving mode reduce energy costs, and multi-layer glass door with special gas insulation reduces heat loss
- **CarbonNeutral® Option:** Merchant Media's carbon footprint is minimal; any remaining unavoidable emissions can be offset for 5 years
- **78% Recyclable** at the End of Life
- **Maximum Reliability and Durability:** its welded cabinet and extensive mechanical systems testing (to 14 years of life) reduces the number of service calls
- **Modular Refrigeration System:** Easy to remove for service; safety/ service alerts for proactive maintenance
